MEMORANDUM FOR: General Counsel

FROM: Harry E. Fitzwater
Deputy Director for AdministrationSUBJECT: Information Security Oversight Office (ISOO)
Draft of Proposed New Executive Order to
Replace E.O. 12065REFERENCE: A. Multiple addressee memorandum from DDA dated
4 January 1982; Same Subject (DD/A 82-008)
B. Multiple addressee memorandum from Counsellor
to the President dated 23 December 1981;
Subject: Executive Order on Classification
(ER 81-5384/4)

1. The attached comments represent the current Agency position on the latest ISOO draft revision to Executive Order 12065. The comments concerning portion-marking, cryptology, and notification to ISOO of unauthorized disclosures (comments D, K, and L) in particular reflect strong feeling in the Agency, and I request that the DCI response to the National Security Council address these three questions. I understand the Inspector General has suggested to you separately that there is a possible conflict between Section 3-401 of the ISOO draft and the proposed FOIA amendments supported by the Agency.

2. Overall, the latest ISOO draft, with the exception of the portion-marking addition, is again an improvement. I look forward to receiving the proposed DCI response for concurrence.

Harry E. Fitzwater
